Linear Fixture Lighting Made Easy

Linear fixtures are sized to fit standard cabinet widths and come in several profile options. Use the **Angled Profile (P3)** under cabinets, inside cabinets, or in the toe kick to angle light where it's needed. Use the **Flat Profile (P7)** under cabinets to illuminate the workspace directly below. Use the **Recessed Profile (PX)** under cabinets or shelves for a flush, sleek finish. Use the multi-purpose **Dual-Mount Profile (PD)** for surface- or recess-mounted applications. Use the **Premium Flat Profile (PF)** for a sleek, finished look under cabinets.

The Standard, High, and Higher Output Tunable-White fixtures have tunable-white color temperatures that allow users to change the color temperature from 2700K to 5000K and anywhere in between.

Cabinet Care & Cleaning

- In order to maintain and protect the original beauty of the cabinets, clean at least once a month by gently wiping the surface of the cabinets with a soft, clean, damp cloth. Allow the cabinets to air dry.
- Do NOT use kitchen cloths or sponges that have abrasive surfaces, detergent or grease on them.
- Use common dishwashing liquids (not detergents) to remove grease or soil. Wipe clean with a damp cloth. Dry the cabinet thoroughly.
- Under routine kitchen use, the cabinets around the sink, range, oven, baseboards and dishwasher may become damp with splashes from water or spills. It's important to immediately dry the excess moisture to prevent damage to the finish of the cabinetry.
- Never use cleaners containing bleach, ammonia or abrasives on your cabinetry. These substances will damage the cabinet finish.
- Touch up scratches and dings on cabinetry with a touch-up marker.
- In the event that scratches and dings are still visible after using a touch-up marker, use a filler pencil. Fill in the scratch by rubbing the pencil over the scratched area and wiping away the excess with a soft, clean cloth.
- Do NOT use sandpaper or any other type of abrasive paper or material in attempt to even out a scratch. These abrasives will damage the finish on the cabinet.

Limited Lifetime Warranty on Hinges to the original purchasing consumer as long as they own the product. WARRANTY LIMITATIONS AND EXCLUSIONS

This warranty does not apply to any damage that has occurred due to normal wear, accident, misuse, or improper handling of the cabinetry. Cabinetry that is stored or placed in excessive moisture or extreme temperatures will not be covered under this warranty. This warranty does not apply to cabinetry that has been altered, modified or improperly installed to industry standard. Premier Cabinetry is constructed from solid wood and wood veneers on plywood. Wood characteristics that naturally occur, such as variations in color, grain, mineral streaks and knots are not considered material defects. Color variations and color softening in cabinets are a natural occurrence due to species, age, character of cabinets as well as exposure to UV light, sunlight, smoke, household cleaners, and other environmental conditions. For these reasons, replacement cabinets and/or accessories may not match the existing cabinets and such variations are not deemed a material defect under this warranty.

WARRANTY PERFORMANCE

In the event a manufacturing defect occurs within the limited liability warranty period and coverage, Hardware Resources, Inc. will replace the damaged component with a comparable component that is either equal to or greater in value than the original component at no charge. This warranty is limited to the replacement of defective components only and does not include service, labor, or transportation charges related to the removal or installation of the defective or replacement components. This warranty does not apply to any products used in conjunction with the cabinetry, such as counter tops, appliances, or plumbing fixtures. Hardware Resources will ship the replacement cabinet, component or part thereof to the original consumer purchaser via ground shipper or freight carrier, at Hardware Resources sole discretion. Such replacement is contingent upon the current product offerings with the Premier Cabinetry line at time of warranty claim. If the affected product is no longer available, Hardware Resources reserves the right to replace the affected component with a new component of the same style and/or uniform appearance. Hardware Resources makes no guarantee that replacement cabinets or parts thereof will exactly match the finish or appearance of the remaining components. Replaced product shall be warrantied for a period equal to the remainder of the original Limited Warranty on the original product or for NINETY (90) days, whichever is longer.

CLAIMS

All claims must be submitted in writing and must specify the defects present in the cabinets and accessories. To initiate a claim for defective cabinets and/or accessories contact your builder, dealer, distributor or contractor who installed and sold the product. If that party is unknown or you have difficulty obtaining assistance, contact: Hardware Resources, Inc. Customer Service Dept., 4319 Marlena Street, Bossier City, LA 71111.

ANY AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, ARE EXCLUDED AND DISCLAIMED, EXCEPTING ONLY THOSE EXPRESS WARRANTIES SPECIFICALLY SET FORTH IN THIS LIMITED LIABILITY WARRANTY. IN NO EVENT SHALL HARDWARE RESOURCES BE LIABLE FOR ANY INDIRECT DAMAGES RESULTING FROM INSTALLATION, USE OR FAILURE OF ITS PRODUCTS. THIS LIMITED LIABILITY WARRANTY IS HARDWARE RESOURCES SOLE WARRANTY, AND NO DEALER, DISTRIBUTOR OR AGENT POSSESSES ANY AUTHORITY WHATSOEVER TO MODIFY OR ENLARGE THIS WARRANTY IN ANY WAY.

Warranty for Unfinished Cabinetry

Hardware Resources, Inc. ("**we**") warrants to the original owner or owners of the building in which the NorthPoint cabinetry product was first installed (the "**Owner**") that the Product will be free from defects in materials and workmanship during the Warranty Period, as set forth in further detail below.

PREMIER COLLECTION FIVE YEAR LIMITED WARRANTY (THE "**PC WARRANTY**")

We warrant to the Owner that each product in our Premier Collection cabinetry line, excluding the product's drawer slides and hinges (the "**PC Product**"), will be free from unnatural defects in material and workmanship under normal use and proper care for a period the shorter of: (i) FIVE (5) YEARS from the date of original purchase, or (ii) the date the Owner transfers the PC Product to another person or entity (the "**PC Warranty Period**").

ESSENTIALS COLLECTION ONE YEAR LIMITED WARRANTY (THE "**EC WARRANTY**")

We warrant to the Owner that each product in our Essentials Collection cabinetry line, excluding the product's drawer slides and hinges (the "**EC Product**"), will be free from unnatural defects in material and workmanship under normal use and proper care for a period the shorter of: (i) ONE (1) YEAR from the date of original purchase, or (ii) the date the Owner transfers the EC Product to another person or entity (the "**EC Warranty Period**").

DRAWER SLIDES AND HINGES LIMITED LIFETIME WARRANTY (THE "**HARDWARE WARRANTY**"; WITH THE PC WARRANTY AND THE EC WARRANTY, EACH A "**WARRANTY**" AND TOGETHER, THE "**WARRANTIES**")

We warrant to the Owner that the drawer slides and hinges components of each product in our Premier Collection and Essentials Collection cabinetry lines (the "**Hardware Product**"; together with the PC Product and the EC Product, the "**Products**") will be free from unnatural defects in material and workmanship under normal use and proper care for a period the shorter of: (i) the lifetime of the Owner, or (ii) the date the Owner transfers the Hardware Product to another person or entity (the "**Hardware Product Warranty Period**").

TRANSFERABILITY

Only the Owner is entitled to coverage under the Warranties. The Warranties are non-transferable to any subsequent owner or transferee of the Products.

WARRANTIES LIMITATIONS AND EXCLUSIONS

The Warranties do not cover damage to Products that occurs due to normal wear and tear, transportation, storage, failure to follow instructions, alterations, modifications, unauthorized or improper repair, accidents, abuse, misuse, improper handling, improper cleaning, outdoor use, installation not in conformance with our instructions or applicable building codes or industry standards, or other actions or events beyond our control. Products that are stored or installed in environments where excessive moisture or extreme temperatures are present will not be covered under the Warranties.

Stained and Unfinished Products

Certain Products covered by the Warranties are stained or unfinished (as opposed to painted) and constructed from solid wood and wood veneers on plywood. Concerning these Products, wood characteristics that naturally occur, such as variations in color, grain, mineral streaks and knots are not considered defects under the Warranties. Color variations and color softening in cabinets are a natural occurrence due to species, age, character of cabinets as well as exposure to UV light, sunlight, smoke, household cleaners, and other environmental conditions. For these reasons, replacement Products and/or accessories may not match the existing Products, and such variations are not defects under the Warranties.

Any changes to the Products resulting from stains, paints, sealers, or other finishes applied by any person other than Hardware Resources, Inc., as well as any damage occurring during the finishing process, are not covered under the Warranties. The responsibility for properly applying stains, paints, or other finishes rests solely with the Owner. For these reasons, replacement Products and/or accessories may not match the existing cabinets, and such variations are not deemed a material defect under this warranty.

WARRANTY PERFORMANCE

Should you discover a Product manufacturing defect within the applicable Warranty Period and successfully make a claim under the applicable Warranty, we will replace the defective Product or Product component with a comparable Product or component that is either equal to or greater in value than the original Product or component free of charge. Coverage under a Warranty is limited to the replacement of defective Product components only. Service, labor, or transportation costs related to the removal or installation of the defective or replacement Product or components are not covered. The Warranties do not apply to any products used or installed in conjunction with the Products, such as countertops, appliances, or plumbing fixtures.

We will ship any replacement Product or component thereof to the Owner using a shipment method of our choice. Such replacement is contingent upon the then-current product offerings available within the applicable cabinetry product line at the time of the Warranty claim. If the original Product or component is no longer available, we reserve the right to replace the defective Product or component with a new product or component of the same or similar style and/or appearance.

We make no guarantee that replacement cabinets or components thereof will exactly match the finish or appearance of the remaining Products or components. Any replacement Product provided pursuant to a successful Warranty claim shall be covered under the applicable Warranty for a period equal to the remainder of the original Warranty Period or for NINETY (90) days, whichever is longer.

Warranty for Unfinished Cabinetry

The Warranties give you specific legal rights and you may also have other rights, which vary from state to state.

WE LIMIT THE DURATION AND REMEDIES OF ALL IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE TO THE DURATION OF THE APPLICABLE WARRANTY HEREIN.
