## ***MINIMUM SELLING PRICE (MSP) POLICY***

---

Hardware Resources has a strict internet MAP (Minimum Advertised Price) Policy. Our policy is a maximum 10% discount off of our current List Price across all Hardware Resources, Jeffrey Alexander, and Elements products for sale on the internet.

The only exception to the MAP policy is for products Hardware Resources has designated on our [HardwareResources.com](http://HardwareResources.com) website as Discontinued.

Hardware Resources is committed to proactively seeking out, finding, and dealing with Internet MAP violations during and outside of regular business hours. We strive to find and fix MAP violations before we hear a complaint from a Customer. Policy violations result in suspensions and customer terminations, and we do several such terminations each year.
